

Day 1: Arrive into Sorong

Guests will arrive in Sorong and have time to get comfortable on the boat. Damai will travel west to Matan for a check out dive.

No. of Dives:1

Day 2: Kri & Dampier Straits

At the eastern end of the famous Dampier Strait there are many signature dive sites. Cape Kri is a sloping reef on the eastern end on the island of Kri; Blue Magic and Sardine reef are seamounts covered in schooling fish and cruising sharks and rays; Mioskon is a great spot for the endemic Wobbegong shark and Pontohi pygmy seahorses.

No. of Dives: 4

Day 3: Manta Sandy & Gam

Manta Sandy is a signature site for experiencing the grace of Reef Mantas. They are frequent visitors to the cleaning stations dotted along this sandy channel. Feel free to explore the sand for small critters while you are waiting for an appearance. Gam's Citrus Ridge is a must. An entrance to a channel when current flows and attracts all kind of live. Its orange soft corals give name to this spectacular site.

No. of Dives:2

Day 4: Penemu

The signature sites in Penemu are Barracuda Point; a seamount on the north point; Melissa's Garden; a beautiful example of a hard coral plateau and Keruo Channel; drift along this colorful slope watching the seascape go by. The highlight of Penemu is a lagoon tour in the tenderboats amongst these turquoise waters and limestone bays. For the energetic there is a short walk to the top of one the hills to be rewarded with an amazing view over the lagoon with Damai moored in the distance.

Day 5: Farondi / Balbulol

No Contest and Love Potion No.9 near the island of Balbulol are a string of underwater ridges rich in current and therefore colorful soft corals and seafans. Spend your time looking in the blue for schooling pelagics and often the beautiful Mobula Rays. To the east is the island of Farondi. Visit the unique underwater caves at Goa Farondi and hunt for cool pygmy seahorses on the different varieties of sea fans. Nearby in the channel are the current rich pinnacles of the Three Sisters. This area is teeming with life and there is a good chance of seeing a lot of fish action.

No. of Dives: 3

Day 6: Boo & Fiabacet

This amazing string of small islands has a colorful array of great dives sites. The signature sites in the area include Boo Windows, Nudi Rock, Tank Rock and Whale Rock. The whole place is a

delight for the eyes. On a calm day you can visit the amazing seamount Magic Mountain and experience cruising sharks, schooling fish and mantas cleaning. A truly spectacular dive!

No. of Dives:4

Day 7: Wayilbatan

The Four Kings is a series of colorful underwater pinnacles which make an amazing dive with plenty of cool fish action. Moving later to a more sheltered spot we are in the vicinity of some great dive spots: drift along the channel at Neptune Fan Sea; explore wall at Wedding Cake or enjoy the fish action on the ridge at Barracuda Rock.

No. of Dives: 3 or 4

Day 8: Koon

At the far eastern end of Seram there is the island of Koon. There is only a single dive site, but it is well worth diving it twice. Too Many Fish! is a sloping reef that drops off into the deep and there are plenty of pelagic hanging around here; giant trevally and large tunas come in to feed, schools of snapper and barracuda hang off the drop off. There are some cool coral heads in the shallows to explore at the end of the dive. After the second dive, we will move towards the center of the Spice Island trade: Banda

No. of Dives:2

Day 9: Banda Neira

Spend some quality time around the Spice Islands in the shadow of Gunung Api volcano. There are a selection of unique dive sites including the hard coral at Lava Flow and the very fishy underwater pinnacles at Batu Kapal. Tour the island in the afternoon, visit its historical buildings, Banda was the center of the spice trade and of capital importance at the time. Late in the afternoon, we will go back in the water for a world class mandarin dive experience.

No. of Dives:4

Day 10: Nusa Laut

There are two distinct dive sites at Nusa Laut. Akon Wall is beautiful drop off with a natural limestone swim through in the wall. There are clouds of colorful Anthias and Damselfish hanging off the wall. Amed Slope is a sloping reef with excellent hard corals and schooling fish.

No. of Dives:4

Day 11: Ambon Harbour

Finish the trip with some world class muck diving in Ambon Harbour. An excellent place to hunt down some unusual critters of all shapes and sizes.

No. of Dives: 2

Day 12: Departure

Guests will be escorted to the airport in Ambon and assisted with check in procedures, no doubt full of talk about the wonders of the most popular dive destination in the world.
